Dear Sir or Madam:

As a long-time resident of Bedford, I enjoyed the opportunity to know my neighbors Leo and Kay McLaughlin and their extensive family. One of the really outstanding children (actually they were all outstanding) was their son Matt. Matt is now a candidate for the New Hampshire State Senate and I am writing to enthusiastically endorse his candidacy. Matt is a local boy, born and raised and now living again in Bedford. He is a graduate of the Naval Academy and following his graduation he went on to become a Naval pilot flying A-73 Corsairs. During that time he made three deployments on the USS Nimitz.

Following his Naval career Matt went on to become a commercial airline pilot where he enjoyed a 33 year career. On top of that he has served as a coach and referee for many Bedford sports and served as coach of the West High School girls lacrosse team. On top of all that, he was a driver for Meals on Wheels in Manchester and has been a regular donor of blood platelets at the Manchester Red Cross.

In every respect, Matt is a dedicated citizen and will make an excellent Senator. I unqualifiedly endorse him and hope you will cast your vote for Matt McLaughlin for State Senate.

Very truly yours,

A handwritten signature in black ink that reads "Jack B. Middleton".
